## **FEATURED SPIRIT**

### **DEVIL'S BIT | 15**

From the creative minds of McMenamins distiller's Bart and Arthur, this 9 year old whiskey features 2-row malt, Munich malt, un-malted roast barley & wheat malt which gives it a complex grain profile, rich maltiness, smooth creaminess and a hint of smoke and coffee. Aged 9 years in American White Oak, it was crafted at Cornelius Pass Roadhouse. The whiskey is then finished in different unique casks for a complex finish.

*\*Only available in the Principal's Office and our Whiskey Club members.*
