McMENAMINS WHISKEY CLUB

Garrison Brothers Single Barrel | 10

Texas straight bourbon whiskey. Minimum of four years old. Distilled in Hye, Texas from a mashbill of 74% white Texas corn, 15% red wheat, and 11% Canadian Malted Barley. –94 proof

Frank August Case Study 3: Winter Cover Rye | 20

Case Study 3 is a significant milestone, marking the brand's inaugural realease of a rye whiskey. Rye, known as a cover crop (used primarily to benefit the growth of future crops and for other conservation purposes), plays a creuicial rol in this realease. Some of the finest rye whiskey barrels come from winter distillations. - 106.25 proof

Orphan Barrel Muckety Muck| 22

The third and final entry of this line in the Orphan Barrel Project. 26 year old single grain Scotch whiskey from the Port Dundas distillery that was shuttered in 2011. Through much of its history, there was also a pig farm on site and the pigs were largely fed on the spent grains used in the distilling process. One of one prize-winning hog in the historical archive was named Muckety-Muck. -92 proof

Signatory Craigellachie 2009 | 21

Distilled at the Craigellachie distillery in 2009 but purchased by independent bottler Signatory. 13 year old, finished in a 1st fill sherry butt and bottled at cask proof.
1 of 689 bottles. -111.8 proof
