## PUB HISTORY

---

The Hillsdale Pub & Brewery debuted February 8, 1984, in the shell of a former Skippers Fish & Chips. It was just McMenamins' third pub. The next year, a brewery was added, creating Oregon's first brewpub since Prohibition. The Hillsdale's brewery – originally dubbed Captain Neon's Fermentation Chamber – is where Terminator, Hammerhead and many other favorite brews were first crafted. Beer gurus and regular beer drinkers alike make pilgrimages to this spot and whole crowds turn out for the Hillsdale's annual beer fest.
