

OUR HISTORY

Built in 1905, the building was just two stories and bore the name, Hotel Elberton. The third and fourth floors were added in 1910, though only the third was finished at the time. The elevator and name change to "Hotel Oregon" came in 1932. Seventeen years later, new proprietors built an apartment on the top floor as their home. During their tenure, the guest register was used with less and less regularity, until 1967, when the rooms and the three upper stories were closed to the public. Businesses on the first floor continued to thrive, though, and in 1998 McMenamins took the helm and began renovations.
