## PUB HISTORY

Kennedy Elementary School opened in 1915, with just 29 children in attendance. As decades passed and the community grew, the school also served as a meeting hall, polling place, Red Cross center, weekend playground and flood-relief shelter. Yet at the end of the 1974-75 school year, faced with declining district enrollment, Kennedy was shuttered. Scrambling to prevent demolition, a coalition of neighbors, former students, past PTA presidents and others launched an effort in the 1980s to save the building. Mike and Brian McMenamain presented a proposal to revive the building into a unique hotel property. After gaining the city's approval a decade later, McMenamains began its creative renovation. On October 22, 1997, at 7 a.m., the original principal's bell was rung on the front steps, marking a new chapter as McMenamains Kennedy School.
