## OUR HISTORY

The Mall 205 plaza opened in 1970, and McMenamins joined the party here in 1992. Not only is it a comfortable resting spot for shoppers and interstate travelers alike, but it's home to the original Hammerhead illustration! This now-iconic company mascot was created by longtime McMenamins artist Lyle Hehn: "After the usual false starts and frustrated erasures, it all fell together. The ideas popped into my head one after another and I couldn't draw it fast enough... The idea of a character with a hammer for a head is hardly original, but the beer had already received a name that practically demanded some kind of bold, expansive and yet deliberately ridiculous image." Raise a pint of Hammerhead here in the icon's home pub.
