## OUR HISTORY

Thriving in the shade of the Space Needle, this pub was McMenamins' first foray into Seattle when opened in 1995. And it's remained a special favorite ever since. It was here that first year that Deadheads gathered after Jerry Garcia and the boys played their final note in Seattle. With a brewery that's in full view (and within arm's length) of diners, McMenamins Queen Anne offers an intimate and ongoing study of the brewing arts and sciences.
