OUR HISTORY

Rock Creek Tavern beckons like a welcoming old friend, set in a tranquil, out-of-the-way spot and always with a soundtrack of music from a jukebox or a band. It started as a country store that, upon repeal of Prohibition in 1933, added draft beer to the offerings. Caught in the middle of union in-fighting, the tavern was bombed and then torched. It carried on for years, though, in an old blacksmith shop, until petering out in the 1960s. Then an infusion of youth, energy and music brought renewed life to the place in the '70s, drawing crowds and bands from all around (folks still swear that really was The Eagles who dropped by) that continues to this day.
