## PUB HISTORY

---

Opened in 1995, Six Arms is housed in the heart of trendy Capitol Hill – but this neighborhood hasn't always been so posh. From the 1910s to 1980s, it was known as Auto Row because of the cluster of car dealerships and garages. This building, with its floor-to-ceiling “showroom” windows, no longer displays the latest automotive models. Instead, have a look at an impressive chandelier and sculpture collection along one of McMenamins' smallest but finest breweries.
