WHITE EAGLE

PUB HISTORY

The White Eagle opened here in 1905 in what was then a rough, working class neighborhood. Its name referred to the white eagle on the Polish national flag and its mission was to aide and welcome Polish immigrants new to Portland. Today the place is known for its vintage charm and legendary music history. The Holy Modal Rounders and blues man Robert Cray helped launch the bar's live music tradition, followed in the 80s by Northwest music icons Paul deLay, Curtis Salgado, Norman Sylvester and others. With nightly live performances, there is always music history in the making here.
