## OUR HISTORY

McMenamins Corvallis Pub was born in 1991, but its foundation runs deep – a century earlier, this riverfront neighborhood was home to many pioneering families who were among the first to populate this town-turned-city. Later, in the 1960s, this storied, “olde British”-style pub was part of a new wave of downtown Corvallis development. Originally called Tower of London, the pub drew much of its patronage from Oregon State University. McMenamins couldn't be happier to continue that tradition, welcoming new friends, from students to faculty to tourists, from all corners of the world.
