KENTUCKY OWL

STRAIGHT WHISKEY | 52.25

Kentucky Owl Bourbon Batch #12 is a quintessential bourbon through and through. The sip kicks off with a great combination of scents that balances sweetness with more grounded aromas that draw you in. The midpoint contains classic well-defined flavors that are nicely enhanced by the bourbon's higher proof, but never feel overpowering. 115 proof

BOMBERGER PFG

KENTUCK STRAIGHT BOURBON WHISEKY | 45

Bomberger's PFG reveals that the flavor profile builds on that nose. The traditional bourbon brown sugar and vanilla sweetness plus spices of clove and cinnamon are still there, backed by that leathery oak, but add to that the continuing mint and now the additional note of tart cherries. Further sips showed me that the oak had been joined by a faint trace of tea tannin as well. The finish ran spicy, but fruity, before fading down to just the spicy part. 100.2 Proof

BARREL THIEF : AMERICAN SINGLE MALT WHISKEY

WHISKEY | 27.25

This exceptional whiskey originated with our Terminator Stout grain bill, an ale crafted with deeply kilned malts that lend layers of roasted character and complexity. Distilled with care and left to mature in new American white oak, it spent sixteen years quietly transforming, thanks to the influence of charred wood and changing seasons. 92 proof

DEVILS BIT 2025

Lightly peated barley malts were mashed, fermented and double distilled before coming to rest in a Spanish sherry barrel. 10 years in the barrel married the smokiness of malt with the herbaceous and nutty notes of oak and sherry.
