## OUR HISTORY

Originally the poor farm's power plant and laundry, it now serves up tasty ales, pub fare, and movies. The bar took over the spot where Patrick used to park the tractor. It also was the scene of an unanticipated, unwelcome waterfall. Room 10 rules and the attic can host one fine party! A movie beneath the Power Station Theater's night sky is as close to the drive-in experience as you'll get anywhere. Be aware that even if you're the only person in the place, dozens of faces are watching you and one skull (there's one in every crowd). One fireman can attest to the flammable nature of the Power Station. He extinguished the flames that insisted on burning Speed 2: Cruise Control as well as the conflagration of 11 years before. Don't miss Hood on the hood and the other outstanding artwork.
