OUR HISTORY

The tiny McMenamins Fulton Pub opened in 1988, but it had long been a favorite neighborhood spot ever since early-day saloon man, Jake Reisch, established the place in the mid 1920s. After 1950, it was called the Home Tavern, a name that may have reflected some regulars' view of the place. Today, the Fulton is beloved for its serene, outdoor enclave, embraced by hop vines, rambling perennials, and soothing London Plain and cherry trees. It's also known for being the first McMenamins pub that artist Lyle Hehn put under his spell.
