

Edgefield Ruby's Spa & Salon

Red-haired sorceress Ruby is the namesake of our signature Ruby Ale and, of course, spa. She is found in artwork throughout McMenamins. Edgefield Ruby's Spa (little sister to our original location at Grand Lodge) is the perfect spot to while away some time in complete relaxation and comfort.

Slip into the soothing oasis of our soaking pool, surrounded by lush flora, as the perfect complement to your visit. Open year 'round, there are no added chemicals in the saltwater pool, for a gentler soak. Bathing suits are required, and we provide a dressing room and lockers. Guests must be 18 years old or must be accompanied by an adult.

Please note: We recommend that you use the soaking pool prior to your appointment, to avoid rinsing away any skin care products after your treatment.

At Edgefield, the soaking pool is reserved for overnight guests and Ruby's Spa clients only.
