

## Lap Swimming at the Anderson School

**September through June**  
Monday through Friday 9am-3pm  
Monday through Thursday 7-8pm  
No lap swimming on Saturday or Sunday

### July 10 through Labor Day

### No Morning Lane Swimming Starting July 10th (except Fridays)

Thursday June 8th

Due to our summer swim lesson program being in the mornings for group lessons and afternoons for private lessons, there will be no morning lanes available Monday-Thursday from July 10-September 5th.

We will put lanes in Friday mornings. We will continue our evening 7-8pm lanes based on how busy we are. If the pool is too crowded we will pull out the lane lines to allow for safe space and visibility. For everyone's review, [here is our lane swimming etiquette and policy](#).

Kind regards,  
Debra Shelton
