

We are on our winter hiatus from swim lessons and will resume in the spring.

In January or early February, detailed information will be posted at www.andersonschoolswimmingpool.com and an email will be sent to those on our swim lesson email list.

- Private lessons \$230 for 4 lessons (most parents buy two or three 4 packs)
- Group lessons are \$150+tax for 8 lessons- 4 students in each class. All lessons are 30 minutes
- Group lessons include ages 3-12 and also the Parent & Tot Class (age 6 months to 36 months)
- Only the Parent & Tot Class has a parent in the water with the child. It is recommended before coming to registration to consider how well your young child will separate from you as our parent viewing area is about 40 feet away from where the lessons take place. The parent is expected to disengage quickly as you hand the child to the instructor.

Tentative Schedule for Swim lesson registrations. Registration is in person on the first day of registration. We can take registrations over the phone or at the pool after the opening day for each registration.
